

TOASTMASTERS INTERNATIONAL®

Division G – Fall Conference 2010 Stockholm Humorous Speech and Table Topics October 16, 10.00 – 17.30

Stockholm Toastmasters and PwC Communication and Leadership Club welcome you to Stockholm for this year's fall conference! Join us for an exciting day of education, networking and competition!

Area and division conferences are combined this fall. In addition to opportunities to learn from each other, and learn from engaging and educational keynote speakers, the competition in humorous speech (5-7 minutes) and table topics (2 minutes) will allow us to send two competitors in these contests to the District 59 conference in Barcelona, November 19-21.

Members and non-members are welcome to attend the conference as audience members. Additionally, all clubs in good standing are permitted to select one contestant to compete in each speech contest. Club members may also serve as judges, counters, timers, and facilitating staff. The judging panel is intended to equally represent the areas, as far as practical.

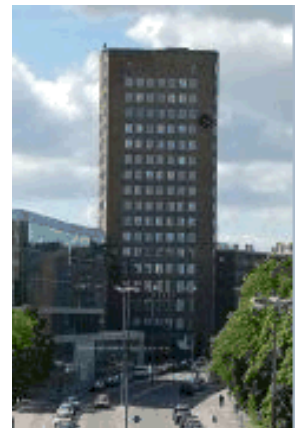

Registration and networking begin at 10.00. At 10:30, our welcoming keynote will be delivered by District 59 Governor Benjamin Brühl, DTM. Additional educational sessions and the contests will be held throughout the day.

Registration

If you plan on attending, please email Scott Enerson (scott.enerson@se.pwc.com) to begin registration. All participants must register by October 13. The winners of club contests who will compete at this conference must be registered by their Toastmasters club president.

Costs of the event are in the process of being finalized. The preliminary participation cost is 100 SEK and includes lunch and drinks. Cash payment will be made on the day of the event at opening registration.

Cancellation of participation is allowed through October 13. Cancellations from October 14 will require full payment.

Location:

Torsgatan 21, Stockholm – PwC Hörnsalen room (5th floor)

For further information about participation in this conference, please contact your club president, or the Division G Fall Conference Organizer, Scott Enerson (+46 709-293688, scott.enerson@se.pwc.com)
